

Figure 1. Overview of the whole expedition area. We will initially be based at Pindaya to survey Siegfried's Cave, followed by a visit to the BIG resurgence northwest of Lawksawk, and finishing with the area around Ju's Gu (based at Ywangan).

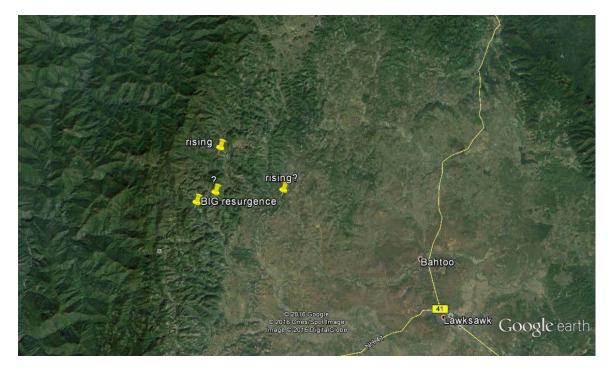

Figure 2. Lawksawk and the BIG resurgence to the west.

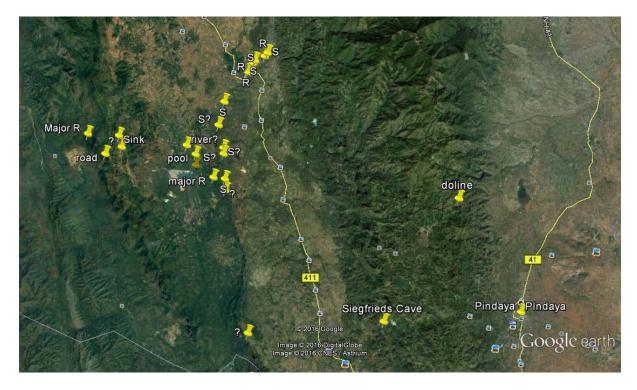

Figure 3. Plateau and escarpment to northwest of Siegfried's Cave.

Figure 4. Ju's Gu and the area to the west of Ywangan. It also shows Stone Cave and Dragon Cave etc, which we found in 2012 and is the longest cave currently in Myanmar.
